

Deceptions of the Heart

What would you do if one morning you awoke in someone else's body? Surviving as Jennifer Cristobal isn't easy for Rhonda Prentiss. Three years ago, a sudden, fatal trauma stripped Rhonda of her middle-class, stay-at-home mom existence. A brand new shock prompts Rhonda's essence to invade Jennifer's soul, suppressing the other woman's memories and replacing them with her own. When Jennifer's heart transplant surgeon, Dr. Crane, can't help her understand her unusual body-swapping dilemma, she turns to the only man she can trust. But can she fully trust Jennifer's husband, Anson? Multiple threats from her past shake her fragile hold on mental stability. If one of her enemies succeeds, he will kill Rhonda's soul or Jennifer's body or both.
