

Watercolor (Dragonfly) (Volume 3)

Love is stronger than distance...

Finishing senior year is supposed to be the best time in a person's life. Finishing senior year as Julian's girlfriend should've been the icing on the cake. Knowing the secret that could change everything for him is the only thing threatening to spoil it all. Until Jack returns. Anna and Julian are together at last, and it's as hot and happy as they knew it would be. The only problem is The Secret. And Jack. But while Anna is determined to fight for the guy she loves, she could still lose Julian when he discovers the truth she's been helping to hide.

A full-length New Adult contemporary romance, family saga. Recommended for readers 13+ due to mature themes and mild sexual content.
