

# Dreamwalker: A Persephones League of Immortals, Book One

Noel Kennedy lost her boyfriend, her job, and her dignity all in one week and then gained an entirely new life. Hunted by a mysterious league of immortals, Noel must rediscover her forgotten past while uncovering the truth behind the two men who battle for her heart, both in dreams and in reality. Entranced, she slowly unravels a world she was meant to stay out of, one filled with creatures she once thought to be myth and dangers that threaten her very soul. Now Noel begins the fight for her life and must choose between two men who call to her heart. Can she escape a life of servitude or immortality for a chance at love? Book one of The Persephones League of Immortals series
