Ive done things Im ashamed of. Ive stolen. Ive lied. Ive even taken a life or two. But what I have to do next makes all that look like random acts of kindness. Finding Dees murderer trumps all, no matter what the cost, even bonding myself to Hross until death do us part. Give up Max? Check. Break his heart? Yeah, that too. But putting Maxs life in danger was never, ever part of the plan. I have one chance to make everything right, once and for all. And I only have one shot at it, because what Im about to do requires the ultimate sacrifice: my life.
