This is the story of my first salvage, seeking out a missing child that my mentor has warned me away from. What I find is more than one child: I find my destiny. My name is Larkspur, and I am an Elemental. They call me The Destroyer. I've been banished to the desert for years after saving a life I should have let the darkness take. But as an earth elemental, I couldn't turn from the pleas for help any more than I can turn from them this time. Except that this time, I have a Tracker to deal with. This is about to get interesting. **30K Word Standalone Novella**
