

The Encore

The Encore was simply AMAZING!...I loved the way this book gripped me. - Bookfever Simply put this book is wonderful, sweet, emotional, and AMAZING! My feelings while read were all over the place and I loved it. - A Soccer Moms Book Blog When Jane married her college sweetheart and the love of her life, she never dreamed she would lose him to leukemia before either of them reached forty. A year later, shes struggling to move on and create a new life for herself, a second act that she never expected to have to follow the first. Picking up the pieces is hard enoughits even harder when those closest to her dont understand or support the way shes trying to put them back together again. But while the curtain may have come down on the life she originally had planned, life itself certainly isnt finished with her yet. And neither, as it turns out, is her heart.

Encore definition, again once more (used by an audience in calling for an additional number or piece).
