

Evolution: HEX (The Evolution Series) (Volume 3)

A lie is a prison without bars. A captive of the enemy, Candace is forced to confront mistakes and regrets from both sides of the battlefield, including her own. Nothing is simple, and lines in the sand that were once clear have become blurred and indistinguishable. Even the unlikely love she found teeters on the edge of uncertainty. The truth is not always what it seems, and can be a prison of its own. Alone, she must decide where she stands. Alone, she must decide who to trust. When the smoke clears, what's left might not be much. But it might be enough.

When everyone stands against you, do you run, or fight? Evolution: HEX: The Evolution Series, Volume 3. S. A. Huchton. 4.6 out of 5. Sage is the second book in Starla Huchton's Evolution series.
