

Feisty insurance investigator Amber Fox is back in her deadliest case ever... When Chantal Langton, the daughter of a famous voodoo high priestess, goes missing, is it a simple case of a rich girl looking for adventure, or is it something more sinister? Amber Fox aims to find out, and soon finds herself slap bang in the middle of voodoo curses, a trail of missing women, and a labyrinth of deceit. And, if that wasn't enough, her ex-fiance-turned-boss-turned-fiance again is pressing her to set the wedding date. Can Amber find Chantal and hunt down a cold-blooded killer... or will she become the prey this time?
