

Fatal Desire (Guardians Series, Book Two) by Valerie Twombly

3rd place winner in Preditors & Editors Other Novel reader poll. This series is addictive! I swear, I just discovered it, and already I'm obsessed. There are dragons, vampires, Egyptian gods, and demons. Pick your poison. It's a PNR smorgasbord. I am a Guardian groupie and proud of it!! Rage, Sex and Teddy Bears This book kept me riveted from the first word, to the last and had me whimpering at the end, wanting MORE!!! Book Reads & Reviews Caleb is dark, hot, and commanding in human form. As a dragon, he's a force to be reckoned with. When he witnesses the slave Lileta being beaten by his Overlord Odage, he nearly comes unglued. Without understanding why, he asks to take the slave as his own, but soon realizes his longing is more than an attraction to a beautiful woman. In a sick twist of fate, the gods have given him a demon as his mate--one he can never touch unless he wishes his own death. His only choice is to grant her freedom. Lileta wanted to kill Caleb, but when she is freed by this tempting male, her anger turns to a desire that can only prove fatal. Even if she could claim him as her own, her dark past makes her unworthy of his love. When their paths continue to intertwine, spiraling them to the brink of passion, can they resist the yearnings burning within them, or will they submit to their fatal desire?
