

USA Today Best-selling romance author Felicity Heaton presents Sons of Lyra Anthology (Sons of Lyra Science Fiction Romance Series Books 1-4) Sons of Lyra is an anthology of four science fiction romance stories. In Slave Princess, Captain Lyra II is one of the sons of Lyra, the handsome princes with passionate hearts. The second eldest son, hes content with the adventure that life with the Lyran Imperial Army offers him. What he isnt content with is his current situation. Not only has he been forced to stop at a backwater port for supplies, but hes leaving with more than he expected-a beautiful and spirited woman! In Runaway Hearts, Heir Prince Lyra I hates his life, and its only getting worse. His parents have gone and arranged his marriage. Unable to stand the thought of getting married before hes seen the stars and tasted adventure, he decides to run away. When he meets a beautiful woman with the same agenda, he agrees to go with her, not realising just what twist their future is about to take. In Fight For Love, Lieutenant Lyra IV is as sinfully handsome as his brothers, but the one woman he wants is immune to his charm. Every man in his squadron is falling over themselves to win her. Literally. When the reward is getting to see her, he cant stop himself from getting hurt in training. Losing feels like winning when he ends up on her inspection table, and the pain means nothing when she touches him. In Stranded, Captain Lyra III is known for his vicious attitude and brilliance in battle. Second youngest of the infamously handsome sons of Lyra, hes a born leader and doesnt take no for an answer. Except this time. Acer is facing a future that seems like a nightmare, a future that has made him realise that the one thing he truly wanted in life may have just slipped through his grasp-his engineer, Stella.
