

Five Minutes Late: A Romantic Comedy

Fabulous debut, funny and romantic with laugh out loud situations. Deb Julienne. Author of SEX, LIES, AND BEAUTY AIDES It was so funny, I peed my pants. Cindy (Richs mom) Can an always-tardy garlic mogul and a punctual Silicon Valley librarian fall in love? The world needs garlic and somebodys got to sell that garlic. Cedric Johnson is that man. But even though hes got just about everything he can wish for, Cedric is still missing one thing in his life: someone special. Fate may be on his side, but he encounters a few distractions along the waylike almost being killed by a UPS truck. Oh, and a little case of blackmail. Ellie Fontaine is a walking Wikipedia with clear professional goals, but when it comes to landing Mr. Right, she doesnt know jack squat. She gives online dating a shot, but ends up with an unappetizing buffet of unibrows and losers. Whats a girl to do? After Ellie saves Cedrics life, serendipity takes over as they continue to run into each other. Their connection grows stronger with each meeting, even though he embodies her number one pet peeve: hes always late. But even if they can get past their issues and misunderstandings, Ellies ex-boyfriend, an unscrupulous cop, will do anything to keep them apart.
