

When I call, you come. Or that's what is supposed to happen. Jasper Cates is a ruthless billionaire and full-time jerk on a mission. He's done the dating thing and he has the relationship scars to prove it. So he's hired a "secretary" to distribute phones to girls matching his exact criteria: blonde, skinny, and slutty. When he calls them, they meet him at an upscale bar in heels and a short skirt. It's simple, sex-filled, and an absolutely no-emotions type of arrangement. Those are the rules. Until Hannah. Brunette, curvy and filthy mouthed. Hannah is everything Jasper doesn't want. So why can't he stop thinking about her? She won't play his games. She isn't another number on his list. Now Jasper is breaking all his own rules. Maybe he can let her in. Maybe. But is it too late for him to really fall in love? **WARNING: MATURE CONTENT** – Curse words, bold characters and hilarious dialogue. 18+
