

Get Out of Your Way: Success is right behind you.

Get Out of Your Way: Success is Right Behind You Marilyn and Larry have identified the common thread present in all successes and failures: us. We are always there. Like most people, you are in the way of your own success, happiness, and eventual advancement. The time has come for you to get out of your own way! Get Out of Your Way is intended for all of you who have stopped short of achieving your goals and dreams and feel someone or something is always getting in your way. Its for those of you who are frustrated by your current position in life; and for those who have reached heights beyond your dreams and who, as most of us do, want still more. Read this book. Keep this book. Then read it again. Pay it forward by recommending this book to others whom you think would benefit from it. You and they will learn how to: Turn fears into excitement; Become the person youve always wanted to be; Change your attitude from a wannabe to I am; Get out of the way of your own success. Deep down we all know that the truth is we have been in our own way. But Marilyn and Larry Singer help us through it without too much guilt. Get Out of Your Way has pearls of wisdom on every page. I cant wait to get this into the hands of hundreds on the team and watch the positive changes. -- Gary DeRitter, Network Marketing Professional
