

## Hellbound Warrior: (Dark Warrior Alliance Book Five)

Rhys OMorda finds himself at the mouth of Hell after swearing he would never go back. When the archdemon, Kadir, steals the Goddess powerful Triskele Amulet, Rhys is left with the fate of the world resting on his shoulders. Cursing his birthright, he sets out to tackle the nine circles of the Underworld. Facing rivers of fire, freezing rains, soul-sucking creatures and his inner weaknesses is nothing compared to coming face to face with his Fated Mate. His biggest challenge isn't passing the tests of each circle in Hell, but trying to win his mate's heart. In a cruel twist of fate, his other half isn't bound by the same force and has to consciously choose him. Problem is she loathes demons. Will he be able to win his angel over or be forced to let her go and live for eternity without her? Illianna has every reason to despise everything related to demons and the Underworld. Once an angel of happiness, she has been a prisoner in Hell for a hundred years, forced to perform vile acts that leave a dark stain on her soul. Her prayers fall on deaf ears day after day and she is on the cusp of giving up when the sexy, impossible and arrogant cambion, Rhys, rescues her from his father's clutches. She will do anything to get back to heaven and her wings, even partner with Rhys and his fellow warriors. Yet, her attraction to the exquisite Dark Warrior challenges every barrier she has set. Having the passion she craves comes with a high price tag, including complete and unconditional surrender.
