

## Sandcastles (Love Inspired #242)

Love Inspired. A Special Valentine From Love Inspired -- Three Complete, Connected Inspirational Romances! They were as different as three cousins could be. Slender Lesley was always trying to please others; pretty Brets life was spinning out of control; sweet Anne always fell for Mr. Wrong. Yet they had one thing in common. The grandmother theyd adored had left her summer beach cottage to them -- jointly. Theyd be spending time there -- together and alone -- and trying to figure out why shed entrusted it to them. They knew Nonie, always strong in her faith, had a reason for the legacy. Each cousin hoped that the answer would help her discover what had gone wrong in her life ... and find everlasting love.
