GREAT REVIEWS FOR HIGH INTENSITY: This screwball comedy with a highly sensual twist is guaranteed to provide readers with a rollicking good time! 4 1/2 STARS!- Romantic Times Magazine Dara Joy is a wonder. This book has it all. Great characters, great plot, great sex... There is one funny scene after another. A very entertaining read. I loved it. Highly recommended.- Jill S. She gets better and better. After reading this book as well as all of her others, I have to say that I am waiting in breathless anticipation for her next story. I have indeed found my favorite author and her name is Dara Joy.

Her imaginative storytelling will hold you in its grip until you have reached the last page. And make you beg for more!- Chessley S. Classic Dara! She never disappoints me. Ms. Joy is an incredible story-teller. Her sense of humor has never been sharper. There is a lot of steam as well but that is to be expected I stayed up all night reading it and wasn't sorry. It left me happy, which is worth the price to me. And I'll NEVER forget that scene in front of the window! Not much out there compares to Dara Joy. Buy it, you won't be disappointed. She's a wonderful writer.- Mark G. A brilliant writer. I was completely impressed with this book. The characters were completely drawn. The plot was very clean, so clever that it gently took me along on the house adventure until I realized at the end how expertly she had drawn me into the story... I highly recommend this book to anyone looking for a happy read. This is the first Dara Joy book I read and I am definitely searching out her others.- Sheila G. Not only was the story's mystery NOT obvious, the author did a surprise take on the old Thin Man films I love so much. I do mean surprise... What a wonderful touch to see Asta traipse through the picture! Hers are among the very few humorous romance books on my keeper shelf, along with Laura Kinsale and Julia Quinn. But she is definitely in a class by herself.- L. L. Mills
