

His Lordships Pleasure (The Regency Intrigue Series Book 5)

Annabelle Carruthers could only dream of being kissed by a man as dashing as Lord Darkwood. She remained locked in misery - married to a rakish drunk who gambled their lives into financial and social ruin. His sudden death - and rumors of spies and treachery - only made matters worse. Burdened with gambling debts, Annabelle feared she was on her way to the poorhouse. The only solution Annabelle could see was to offer herself up as mistress to the mysterious Lord Darkwood!

Darkwood, however, was too much of a gentleman to take advantage of a lady such as Annabelle. Still, he was quite interested in rumors of her husband's espionage - a curiosity that would soon place them both in grave danger. ABOUT THE SERIES Countesses, Marquises, Lords and Ladies, Viscounts and Princesses all meet in the Royal series where they at once both live and try to avoid lives of scandal and sin, where love - we pray - trumps all but revenge is sometimes the name of the game, especially if inheritance, notoriety and fortune are part of the hand. Here, many threads are skillfully interwoven in a highly entertaining series that never fails to please or fall short of its mark.
