

Making a Play (Hometown Players)

Hell do whatever it takes to win--on and off the ice. Luc Richard is the hottest player in the NHL--and it has nothing to do with hockey. His racy relationship with his supermodel ex set the tabloids on fire but nearly put his career on ice. To avoid being traded, Luc agrees to take a break from the spotlight--and from women--and spend the off-season at home in Silver Bay, Maine. Its the perfect plan... until he reconnects with Rose. Rose Caplan is tired of being shy, sweet, and safe. Shes ready for passion, romance--and Luc. Having loved him longer than she can remember, shes finally ready to prove shes not the same innocent little girl he once knew. Off the ice Luc doesnt do games, but this new Rose makes him feel like playing a little dirty. If hes really got a shot at her heart then hes not just playing to win. Hes playing for keeps.
