

Romance for Angel - The Biker

Angelique meets Derick, sparks fly, but they're from two different worlds. When they meet again, at 2002 Laughlin River Run, sparks aren't the only things flying, as biker gangs battle their own, plus the law, with guns, knives, hammers and wrenches, while a period in history is created that transforms them all. Casino teams, although expecting some trouble when rumors started circulating on Friday during biker weekend, never dreamed they'd be fighting for their lives, their loves, as well as the lives of the casino customers, the very next day. Police and SWAT never expected to be called out in force, and were deadly unprepared, as they showed up late in the melee. But the main thing about that weekend was: Who would be loyal to their MC, and who would coward out? Who would take a bullet for a brother, and who would kick away his colors like yesterday's garbage? In the end, who could they really trust? Join the heart-pumping action in this sensational, sexy, erotic look at a true biker lifestyle that will leave you breathless!! (Fifty percent of book proceeds will go to breast cancer research)
