

## When Girlfriends Make Choices

A novel about forbidden love, the choices you make, and discovering what's important in life. Lara Kearns has it all. She has her MBA, a successful career in advertising in Seattle, and she's even living with her best friend and single mom, Robin. Reliable, dedicated, and eager, Lara is the resident go-to-girl, and she wouldn't have it any other way. Lara's that girl who has everything going for her...everything, that is, except for true love. With the big 3-0 on its way and no man in sight, Lara wonders if she'll always be married to her career, or her cat, and never find the One. But then, when she least expects it, a handsome and suave executive at her firm, Paul Mackenzie, makes a pass at her. Hesitant at first about striking up an office romance, Lara eventually finds herself falling for her charming colleague. And the best part? Paul is falling in love with Lara, too! What happens, though, when the man of your dreams loves you...and his wife? Battling with what the head and the heart want, Lara finds herself in a precarious situation. Life is spiraling out of control, but with the support of her therapist and friends, Lara must make a choice. Is she really prepared to chase after love...at all costs? This is a provocative story about struggling between right and wrong. About what you will or won't do for true love. About what happens when girlfriends make choices. While this Women's Fiction novel is Book #3 in the When Girlfriends collection, it can be read as a stand-alone.
