

This is a must have for the small business entrepreneur, owner or professional looking to compete, and thrive, in today's market. It is intended for those who want to attract new customers who actually want to buy their product or service. It is especially good for those who would like to become a sought-after expert who can charge more than their competitors. And it is a great guide for anyone wanting to harness the power of social networking without spending a ton of cash. The Smart Entrepreneurs Guide to Social Networking shares the secrets learned over years of working with some of the world's largest corporations and many business owners and professionals from our smallest towns. Secrets that you can ill-afford to ignore if you intend to market yourself or your business using social networking. This guide gives a clear roadmap for how you can use social networking in your business. It is a non-technical guide, intended for the non-technical entrepreneur, that cuts through the confusion and spells out the simple steps to follow to successfully grow your business using the power and reach of social networking.

Journey to Fulfillment (Pawleys Island Paradise Book 3), Prelude, Jungfrau Liebe des Prinzen (Royals von Dubai Serie #1) (German Edition), Deep Cover Detective (Marshland Justice), Todesschatten (German Edition), Tiger Lily Part Two: An Alpha Billionaire Romance Trilogy,
