

Teach Me (The Heart Series Book 2)

Following the continuing story of Luke and Jasmine. Follow Jasmine and Luke through their ups and downs of turmoil and heartache as they struggle to keep their love story alive. With a twist of new and old characters coming out of the woodwork, with new relationships forming around this blossoming love story, will their relationship survive? Will Jasmine come to terms with her new social status as she tries to keep calm when accusations are thrown her way with her millionaire heart throb? Will Luke understand the terms and conditions of an equal relationship and accept the boundaries given, even if it means a little less dominance over safety and other relations? As they face a new life together, overcoming the fierce nightmares, the true stories revealed. How many relationships will come under strain due to hierarchy and influential power of an unknown past? Will old lives stay a secret or will the truth set free this power couple to live without judgement? Can their relationship stand the test of time?

Listen to the complete Bries Submission book series. As always Book 1. Teach Me audiobook cover art . Book 11. A Cowboys Heart audiobook cover art.I have much gratitude for those who have encouraged me, taught me, and prayed for me. I am blessed by you!
