

## A Sweet Affair (Atlanta Affair) (Volume 2)

For Sage McCarthy, life has not been all sunshine and roses, and over the years she's developed some deep seeded trust issues. So it's no wonder that when Connor Reed comes along, she thinks he is too good to be true. Despite the wall she's built, Connor quickly breaks his way inside and shows her how to love again. When the past shows up, and threatens to hurt the people she loves she has decisions to make. Will she embrace her new found trust, and the man she loves? Or will she put her walls back up to protect them both? Connor is a broken man, slowly working his way back from a bad relationship. He meets Sage and knows his life will never be the same. When the unthinkable happens, he must act quickly; doing everything he can to protect the woman he loves.
