

Barbarian Prince: Anniversary Edition (Dragon Lords) (Volume 1)

Barbarian Prince (Dragon Lords 1) Dragon-Shifter Romance Revised Expanded Anniversary Edition Breaking up was never so hard... Going undercover at a mass wedding as a bartered bride, Morrigan Blake has every intention of getting off the barbaric planet just as soon as its over. Or, more correctly, just as soon as she captures footage of the mysterious princes rumored to be in attendance. But after a euphoric night, Morrigan discovers her ride left without her, and Ualan of Draig is claiming shes his wife. Its not exactly the story this reporter had in mind. And to make matters worse, the all-to-seductive alpha refuses to take no for an answer. Being cursed by the gods was never so frustrating... Prince Ualan is prepared to follow dragonshifter tradition and marry the woman revealed to him during the Breeding Festival. When the stubborn, yet achingly sexy, Morrigan refuses to accept their shared fate and his supreme authority over her, it is all he can do to keep from acting like the barbarian she accuses him of being. About the Series: The dragonshifting princes have no problem with commitment. In one night, they will meet and choose their life mate in a simplistic ceremony involving the removing of masks and the crushing of crystals. With very few words spoken and the shortest, most bizarre courtship in history, they will bond to their women forever. And once bonded, these men dont let go Too bad nobody explained this to their brides.
