Verena Valent is at the helm of her familys legendary Swiss skincare company, which caters to a glamorous clientele in the heart of Beverly Hills. After her parents are killed in an automobile accident, she becomes the sole provider for her younger twin sisters and her grandmother. Instead of attending college with her friends as planned, she rises to the challenge to guide and expand her familys business. She is in the midst of a critical international expansion into Asia when her carefully organized life begins to unravel. Verena is shaken to discover that her fiance, Derrick, might be behind a scheme to take over her growing company. While she struggles to save the business that means everything to her, she meets Lance, an executive chef at the Beverly Hills Hotel. She encounters this intriguing man again while on a business trip to Paris, and soon gains a new perspective on love, romance, and relationships. When the unthinkable occurs and Verenas world collapses, her friends rally around her, among them Scarlett Sandoval, a top intellectual property attorney; Dahlia DuBois, a perfumer from an esteemed line of French perfumers; and Fianna Fitzgerald, a fashion designer with her own trendy boutique. Ultimately, Verena learns that truth, family, friendship, and love are the unshakable pillars of life. But will she get a second chance in business, or in love?

AUTHOR INTERVIEW

Q What's interesting about this contemporary series? **A** The Love, California series is a blend of women's contemporary fiction with strong female leads, close girlfriend friendships, and romantic relationships. The women in this series are stylish, creative, and smart, but like any of us, they sometimes make mistakes. I enjoy helping them overcome their challenges.

Q Why should readers choose books in the Love, California series? **A** Because they're fun, vicarious stories ripped from the glamorous world of beauty, yet infused with deep friend and family relationships. My award-winning books have reached the top ten bestseller list in prestigious Rizzoli Bookstore.

Q And what kind of books do you like to read? **A** I read widely across genres. I love Barbara Taylor Bradford family sagas series, Lauren Willig historical fiction books, Melissa Foster romance novel series, Elizabeth Adler epic sagas, Anita Hughes contemporary fiction novels, Danielle Steel romance best sellers and strong female leads, Michelle Gable Paris novels, and Candace Bushnell contemporary fiction bestsellers.
