

Impossibly Love (Volume 1)

All Moya Douglas wants to do is study hard, maintain her scholarship, and make her mother proud while attending college. She doesn't have time for a boyfriend or going on dates arranged by her best friend. Moya doesn't believe in love. And she has no intention of ever finding it. Branden McCarthy is determined to change her views. A selfless romantic who's had his heart broken in the past, Branden is fascinated with Moya's personality and hopes to develop something real with her connection so strong it'll open her heart. But just when things start to work between the two, Branden's secret threatens to get in the way. Will Moya finally do the impossible and give love a chance with Branden, or will fear keep them apart?
