His is a world of darkness. It is the world of the immortal, but that is just the beginning. It is also a world of wolves and so many things that do not exist in the world of light. It is a world of eternal night and the endless search for the light. It is a reality that can only be seen with eyes that see all shades of darkness. This is my story. It is the story of a love that conquers time, distance and even death, but it isn't just my story. This story belongs to all who seek the light within the darkness. We are the Light Seekers.
