Or she would, until big, growly and oh, so sexy Karel shows up, saves the day and gives her a night she wont soon forget. That, mouththat tongue. Oh my. Karel Yaghar needs a mate faster than he can growl the word MINE. He didnt expect to meet the perfect woman for him and his jaguar only moments after arriving on earth. Now all Karel needs is for her to come with him to another planet. That should go over well. If she doesnt decide hes crazy instead, which is highly likely. Liv is a true born hard-head, shes gonna need more than pink sand to prove shes on another planet. Where are the flying saucers? Then theres the issue of convincing herself shes not falling for the big kitty. If only her ovaries werent in agreement with her brain that Karel should be her future baby daddy, she might find the will to stay away from his sexiness. While she tries to figure that out, she and Karel will have to work together to take down an unexpected threat.
