

Indecent Proposal

Reviewers have called it powerful and brilliant. Newly released for its 25th anniversary edition, Jack Engelhard's novel *Indecent Proposal* has found its place alongside such classics as Fitzgerald's *The Great Gatsby* and Tolstoy's *Anna Karenina*. *Indecent Proposal* remains one of the most widely-read and discussed novels around the world, due to the strong writing and riches that include a moral dilemma for the ages. The novel was translated into more than 22 languages, and Hollywood produced a mega-hit movie based on this book starring Robert Redford and Demi Moore. The novel stands as a remarkable achievement from a great and legendary novelist. Though Hollywood only skimmed the surface of Engelhard's masterpiece, the theme is eternal, even biblical - temptation! The plot has riveted the world's readers and moviegoers. A destitute couple tries their luck in an Atlantic City casino. The wife, Joan, is utterly gorgeous. She attracts the attention of an oil-rich sultan who can buy anything he sets his eyes on. Can he buy people? Can he buy Joan? What would you do for a million dollars?
