

Avoidables 7

Samantha is perfect in every way. Her job, her figure, her hair and her life. The Perfect government leader, William, wants Samantha to change her perfect life: For the sake of the Avoidables. She hates Avoidables. They're ugly, mean and downright disgusting. How dare William ask her to transform for them? Samantha knows she has no choice. A Perfect never goes against the leader of the government, not if they want to keep their job by his side. So, instead of the wonderful life she's used to, she's off to Lower Side to help the Avoidables.

Get smart and get tested for colon cancer. Beginning at age 40, the risk of colon cancer begins to Avoidable Project Planning Errors for New Product Introductions. Engineering. & Design.
