

Cirque de Minuit

Its no easy feat transitioning from the disciplined arena of competitive gymnastics to the artistic whirl of the Cirque du Monde. Kelsey Martin finds secret inspiration in Theo Zamora, a dark, taciturn trapezist--until his partner dies in a tragic accident and he decides to leave the circus for good. Theo doesnt understand why Kelsey reaches out to him, only that she compels him with her unique combination of innocence and recklessness. Before long the two are collaborating on an aerial silks act for a new production, the Cirque de Minuit. Theos impatience with Kelseys naivete is matched only by his passion for her, and the two soon become embroiled in a tempestuous, consuming romance. But some still blame Theo for his partners accident, and danger wraps up the two performers as inevitably as the scarlet silk of their act. Theo and Kelsey must find a way to connect and trust one another as he leads her deeper and deeper into a dangerous world of control and desire.
