

The Alpha Prime Commander

Lo Cordan, Commander of the Alpha Prime has known what to expect from his mating since he started having the mating dreams of his kind centuries ago. Did he like the idea of sharing his mate with another man? A human at that? Perhaps not, but that doesn't mean he'll let either of them get away from him. In a dangerous situation where things are not what they seem, the connection Lo, Jackson and Lena forge between them could be the only thing that keeps them alive. Not part of a series, this is a science fiction romance that skirts the erotic. MFM
