

Gage: Book 4 in the Vengeance MC series

~ GAGE ~ Book 4 in the Vengeance MC series Dexter Gage Peters is a firm believer in, you live by the sword, you die by the sword. Its just a pity that this time, he was the one who was wielding the sword that would inevitably carve his carefully constructed world apart. Aislinn Banks has never been a dreamer, but especially not after the man who owned her heart threw it away so carelessly. Now, shes smarter; more cautious. So, the last thing Aislinn expects when she drives down the main street of Furnace, Colorado was to see the man who used to be her best friend and also the man who broke her heart. Needing to shelter the woman who inadvertently became involved in the ongoing war between his club Vengeance and rivals Rebel Warriors MC, Gage isnt afforded the luxury of indecision where Aislinn is concerned. He has to man up and apologize to her, because like it or not, by walking into his town, she had just become his to protect. Powerless to deny the chemistry between them, Aislinn and Gage take a leap of faith and explore the depths of their desire for each other. It couldnt have come at a worse time, but occasionally, when you least expect it, an opportunity arises that could be the difference between living a life filled with love, or a life spent searching for it. ~ AVAILABLE NOW ~ Book 1 - Call Me...Vengeance Book 2 - Fury Book 3 - Jonas Book 5 - Cash ~ COMING SOON ~ Book 6 - Knight - August 3rd, 2016 *~*This book contains; adult themes, coarse language, violence, graphic sexual content, and as such may not be suitable for all readers.*~*
