

One Wild Ride (Lords of Mayhem)

A sequel to *Bikers Librarian*. (While this book can be read as a standalone, your enjoyment will be enhanced by reading *Bikers Librarian* first.) As secretary of the Lords of Mayhem, Moose cherishes his freedom. But when his best friend gets engaged and he takes on the role of best man, chemistry explodes between him and Joey, the maid of honor. He's torn between his need to roam and her hot, sweet love. The choice becomes even harder when unexpected complications arise. As the daughter of a reformed motorcycle club whore, Joey has always been fascinated by the lifestyle and wondered about her absent father. When the sparks fly between her and Moose, she finds herself drawn deeper into the world that nearly destroyed her mother. As Joey struggles to find her place in Mayhem and Moose's heart, the past comes to call and threatens to destroy it all. **Reader Advisory:** This story has graphic sexual language and scenes no closed bedroom doors (or other rooms) here! A Romantic contemporary erotic romance from Elloras Cave
