

Shifting Heat

Andros was a severely disabled geek working for STORM but now hes a powerful shape-shifting dragon. Still a geek though. Meeting Faye when theyre sharing the same air space is a bit of a shock they quickly overcome in a convenient hotel room. Hot, fast, rampant sex is just what Andros needs. Tangling with Faye between the sheets, against her desk, pretty much anywhere he can have her takes energy Andros now has in abundance. But he wont let his emotions follow. Faye never met anyone in her long life as exciting as Andros. But he works for STORM, Fayes enemy. Shes never had anyone so young, either. But she cant resist his strength, his determination or his ripped body. Together they must hunt down a mutual enemy, but to defeat him they have to come to terms with what they are, were and will become.
