

Tall, Dark and Royal (Renegade Royal)

Hes the man behind the mission to track down the illegitimate children of Englands Royal Princes and help them get their due. But his deepest desire is far more personal. . .Magnificent and stubborn. Fourteen years apart had not changed Chloe Steele, or Dominic Hunters love for her. Hed been a street urchin, a boy raised at court, and finally a magistrate--yet hed never belonged anywhere--except by her side. Now Chloe devoted herself to girls threatened by scandal--like she had been. But she was in danger, and Dominic was determined to help--and hopefully make up for lost time. . .Even in childhood, Dominic had made Chloe feel safe. Now she also felt thrillingly flustered by the powerful man hed become, and by the longing he inspired. Because Dominic meant not only to protect her, but to untangle the lies that had separated them. Yet for Chloe, surrendering to temptation may be easier than risking a future that could ruin them both. . .Praise for Vanessa Kellys Renegade Royals seriesHas all the elements of my favorite novels--a bad boy hero, a spirited heroine, a dash of intrigue, and a sizzling romance.
