

More Than A Friend (Cottage Grove) (Volume 3)

Bentley Jenkins has lived in his older brother, Baylors shadow since the day he was born. Never feeling like he could live up to the high standards that was expected of him, he set out to make his own name for himself. Unfortunately, it wasn't a well-respected one. Playboy, smooth talker, ladies man; these were just a few of the names that he was directly associated with. He took pride in the fact that he never had to seduce a woman to get her to fall at his feet. Normally, a look, a wink, and a flash of his sexy grin was all it took. Any woman would jump at the chance to be with him, so much that he's never heard the word, no. Until her. Until the woman who claimed to be infatuated with him for years.

Until the woman he now couldn't seem to get out of his head no matter how hard he tried. Placed him in the Friend Zone. Miriam Armstrong changed his entire perspective on women and for the first time in his life, he found himself wanting to settle down, to be a one woman man. But first, he needed to prove to Miri that the chemistry between them was worth being pursued, and that he wanted to be More Than a Friend.
