

## The Right Bears Arms: BBW Paranormal Bear Shifter Romance

Katie knows just what she wants: a hot, normal guy like Jake. Shes in for a surprise

Copper-haired, curvy Katie grew up watching her mother chase one alpha bear after another, and swore that would never be her. She wants nothing to do with werebears, especially pushy, conceited alphas. When she meets sexy street musician Jake, the heat between them is instant and undeniable. He seems too good to be true, and everything she ever wanted. Jake cant believe his good luck when he sees Katie. Shes everything hes ever dreamed of in a mate, and his instincts says shes destined to be his. Jakes a rare thing: a werebear living in the big city. Hes on the run from his past, refusing to be the alpha his family expects. Its destiny versus reality when Jake has to decide how he and his bear can overcome Katies reluctance and convince her that hes the right bear for her, and Katie has to decide whether to let her past rule her future. This is a sizzling hot, standalone BBW bear shifter romance. No cliffhangers!
