

MMA fighter Marcus Meeker has given up on love. He can't seem to find a girl who's both smoking hot and honest. He's been screwed over by shallow women enough times that he doesn't hold out much hope when his trainer, and best friend, sets him up on a blind date. Marcus would rather just focus on winning the impending championship and put his love life to the side. Very, very far to the side. Rock star "Dirty" Diana Epps hasn't been with a man in five years. Since her husband died, she can't bring herself to look at a handsome guy without feeling guilty for "cheating" on her dead spouse. Tired of her celibate, depressed lifestyle, her bandmates set her up on a blind date with hunky Marcus. And to keep her from running away, they handcuff her to the bed. Marcus is the exact opposite of Di's late husband, and he might be exactly what she needs to move on. Di is just the sort of no-nonsense woman Marcus has been looking for. But love is tough to find, especially when you don't think you need it. (Contains adult material, including explicit sex, anal sex, and a healthy dose of rock and roll.)
