

# The Ashes: Blazed: The Ashes

Whatever became of Emmeline? The fact that there's a whole new book suggests the events of *The Brides* didn't lead to her permanent demise, but what kind of life is there after death? *The Ashes* answers that question, rounding up the *Blazed* trilogy with an emotional rollercoaster full of twists, lies and misconceptions. As one door closes, a window opens, but where? Is there a way out of Hell for the self-deprecating artiste? You certainly won't find out in the synopsis. Contains strong language and adult themes.
