

Marry Me: A Romance

Marry Me is subtitled A Romance because, in the authors words, people dont act like that anymore. The time is 1962, and the place is a fiefdom of Camelot called Greenwood, Connecticut. Jerry Conant and Sally Mathias are in love and want to get married, though they already are married to others. A diadem of five symmetrical chapters describes the course of their affair as it flickers off and on, and as their spouses react, in a tentative late-summer atmosphere of almost-last chances. For this is, as Jerry observes, the twilight of the old morality, and theres just enough to torment us, and not enough to hold us in.
