

Warrior: Wolves of Angels Rest #4

After the mating moon sets, the trouble is only beginning. Thunder Cole may be the last of his kind. He'll help his distant shapeshifter kindred with their werewolf hunter problem, but then he's moving on -- alone. Until he meets Elizabeth Rowan. Elizabeth became Auntie Fate, a fake psychic tarot reader, to support her orphaned niece, but she doesn't believe in the woo-woo magical world. Until she meets Thunder Cole. Both of them think their second chances are long gone. They couldn't be more wrong. But a bitter enemy on a quest for vengeance against the wolves of Angels Rest may destroy everything they love. A doubter will believe, a warrior will rise, and passion will rule the day. WARRIOR is a standalone bbw werewolf shifter paranormal romance with a HEA for the curvy older heroine and her hero. Some of the other characters first appear in the preceding books of the Wolves of Angels Rest series: HERO, JOKER and ROGUE.
