

Matt-The Callahan Brothers (Brazos Bend Book 2)

They are the Bad Boys of Brazos Bend Matthew, Mark, Luke, and John Callahan. New York Times, USA Today, and Publishers Weekly bestselling author Emily March invites readers to travel from Eternity Springs to Brazos Bend, the small Hill Country hometown of the Callahan brothers. Strong, independent Torie Bradshaw doesn't like playing the damsel in distress, but when a stalker's sadistic threats finally frighten her into running, she knows of only one hero to call on for help: Matt Callahan. The sinfully sexy spy had saved her once before. Surely he'll play her champion again. If only they hadn't parted under such unfortunate circumstances.

Matt has barely recovered from the last time he tangled with Torie. When she invades his private sanctuary bringing danger, drama, and a designer dog with her, he wants nothing more than to send the beauty packing. He's busy battling old ghosts and more recent wounds. But Matt can't deny his protective instincts or the fact that this troublesome woman has gotten under his skin. So when a killer comes to call, Matt faces a startling reality he's about to lose all the things he never thought he wanted. **MATT THE CALLAHAN BROTHERS** is a full-length novel of approximately 100,000 words, originally published as **NEVER SAY NEVER**. Revised and updated by the author.
