

The Player (Men Out of Uniform Book 1)

There's nothing like a man in uniform...or out of it! Especially when he's as hot as former Ranger Jamie Flanagan. After their last assignment went horribly wrong, he and his buddies needed to get out of the military for good. There was only one catch that he and his pals promise their commanding officer one favor. Any favor. Now tall, dark and sexy Jamie is a top security specialist...and the ultimate ladies man. So he's more than a little surprised when he learns the colonel has set him up to protect his granddaughter. Who would trust a player like Jamie with a gorgeous woman like Audrey? Then he learns his mission is to seduce her away from another man....
