

Rent-A-Stud By Lynn LaFleur It isnt Jade Talmages idea to accept her daughters offer to hire an escort for the hospital gala. But the absence of her brother Paul—her usual companion—leaves her with no choice. Enter Zachary Cooper, one-third owner of Coopers Companions, a professional escort company. Despite his good looks and sex appeal that make her hormones scream, Jade has no intention of being the next in a long line of the rent-a-studs conquests. A weekend of mind-blowing sex has Jades heart crumbling. Zach is exactly the type of man she wants in her life. Yet shes sure a relationship with a man ten years her junior would lead to nothing but heartache. Zach doesnt care that Jade is older than he. He wants a lifetime with the woman hes fallen for so desperately. All he has to do is convince Jade that hes much more than a rent-a-stud...hes the man who loves her.
