

Moment of Trust: contemporary romance (Summer House Series Book 4)

Love comes easy...trust takes a little more time. Six years ago Penny Munez made the mistake of leaving home too young and moving in with a man who beat her for recreation. She fled with the shirt on her back, no pants and no shoes and jumped into a car that had stopped at the traffic light urging them to drive anywhere. She didn't care where. Now that she's on an island surrounded by water, the fear of looking over her shoulder hasn't stopped. She doesn't trust anyone. That is until Drake Sutton decided he was going to give her a reason to trust again. Drake knows a dark past when he sees one because he's lived it on the streets and done things to survive that he'd rather forget. Now he owns a successful business and he's calling the shots. But can Drake's love break down walls Penny has fought hard to erect to keep her safe?
