

Moon Dance: Blood Bound Series

Envys life was great. Great brother, great boyfriend, and the best job a girl could ask for... tending bar at the most popular clubs in the city. At least it was great until she got a call from one of her best friends about her boyfriend doing the vertical limbo on the dance floor at Moon Dance. Her decision to confront him begins a chain of events that will introduce her to a dangerous paranormal world hidden beneath the everyday humdrum. A world where people can transform into jaguars, real life vampires roam the streets, and fallen angels walk among us. Devon is a werejaguar, a little rough around the edges and one of the joint owners of Moon Dance. His world is tilted on its axis when he spies an alluring vixen with red hair dancing in his club, armed with a cynical heart and a taser. With a vampire war raging around them, Devon vows to make this woman his... and will fight like hell to have her.
