

Moonlight Lady (Silhouette Intimate Moments)

Too Hot to Handle New York cop Sam OShaughnessy preferred his females big, brunette and lusty. The petite blonde he found stranded was none of the above. Yet the moment prim Lisa Collier straddled his hot black Harley, Sam was bewitched. Bothered. And definitely bewildered. Who was this pint-size Venus distracting him from his dangerous mission? Was she enmeshed in a murderous narcotics ring? To find out, Sam had to get close to her. Close enough to know she felt soft as a cloud, delicate as a moonbeam. Still, if Lisa was dirty, Sam would have to take her down. Otherwise, his wild, angry desire would surely do him in.
