

Showing Her the Ropes: The BDSM Shop Chronicles

I want you to do whatever you want with me. I want you to tie me as tightly as you want, make me as vulnerable as you want, and take me in as many positions as you can think of. I can handle it. I will handle it. I will beg you for it if I have to. But I want you, and I want you now. Fresh out of college and with little in terms of job prospects, Tracy acts on a recommendation from her roommate and takes a job at a local BDSM shop. Shes hardly ever had sex before, much less worked at a sex shop, so shes nervous. But theres something just under the surface in Tracy, and she knows its likely to come up: Shes deeply obsessed with bondage and submission. She yearns for someone to show her the ropes. Luckily, her fellow employee Brett seems up to the challenge. But can Tracy conquer her sheepish nature and make it work with him? Can she get what shes looking for? This short erotic romance features plenty of bondage, male domination, female submission, and much, much more. Enjoy!
