

my DOMINATRIX (Adult BDSM Romance)

Yes please, Mistress. These are words that the hot, twenty-eight year old Craig would like to say. He's tired of the strictly vanilla flavor of sexuality. When he moves into a new apartment, he hears whipping and moaning sounds coming from the sexy woman next door's bedroom. Although he's never had any trouble getting girls to go out with him, sultry Sheila, his neighbor, resists his advances. One night, screams of terror come from Sheila's apartment. Craig beats down her door, saves her from a brutal rape and comforts her after getting rid of the assailant. He is now her hero and she becomes his Dominatrix fantasy come true. What follows is the best sex he's ever known.
